Mueller Water Products Announces First Quarter 2011 Earnings Release Date and Conference Call

January 17, 2011

ATLANTA, Jan 17, 2011 (GlobeNewswire via COMTEX) -- Mueller Water Products, Inc. (NYSE:MWA) will release financial results for its first quarter ended December 31, 2010 on Tuesday, February 1, 2011 after the market closes, the Company announced today.

Gregory E. Hyland, chairman, president and chief executive officer of Mueller Water Products, and other members of the Company's leadership team will hold a conference call to discuss the financial results on Wednesday, February 2, 2011 at 9:00 a.m. (EST). The conference call will be webcast live on Mueller Water Products' Web site, muellerwaterproducts.com, and will be archived for approximately 90 days.

Safe Harbor Statement

This press release contains certain statements that may be deemed "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements that address activities, events or developments that we intend, expect, plan, project, believe or anticipate will or may occur in the future are forward-looking statements. Forward-looking statements are based on certain assumptions and assessments made by us in light of our experience and perception of historical trends, current conditions and expected future developments. Actual results and the timing of events may differ materially from those contemplated by the forward-looking statements due to a number of factors, including regional, national or global political, economic, business, competitive, market and regulatory conditions and the following:

-- the level of spending on water and wastewater infrastructure;

-- the demand level of manufacturing and construction activity;

-- our ability to service our debt obligations; and

-- the other factors that are described in the section entitled "RISK FACTORS" in Item 1A of our most recently filed Annual Report on Form 10-K.

Undue reliance should not be placed on any forward-looking statements. We do not have any intention or obligation to update forward-looking statements after we file this press release, except as required by law.

About Mueller Water Products, Inc.

Mueller Water Products, Inc. manufactures and markets products and services that are used in the transmission and distribution of safe, clean drinking water and in water treatment facilities throughout North America. Our broad product portfolio includes engineered valves, fire hydrants, pipe fittings, water meters and ductile iron pipe, which are used by municipalities, as well as the residential and non-residential construction industries.
