

Mueller Water Products Announces Second Quarter 2009 Earnings Release Date and Conference Call

April 14, 2009

ATLANTA, April 14 /PRNewswire-FirstCall/ -- Mueller Water Products, Inc. (NYSE: MWA) will release financial results for its second quarter ended March 31, 2009 on Tuesday, May 5, 2009 after market close, the Company announced today.

Gregory E. Hyland, chairman, president and chief executive officer of Mueller Water Products, and other members of the Company's leadership team will hold a conference call to discuss the financial results on Wednesday, May 6, 2009 at 9:00 a.m. (EDT). A live webcast of the conference call will be accessible on the Mueller Water Products Web site, www.muellerwaterproducts.com, and also will be archived for approximately 90 days.

Safe Harbor Statement

Except for historical information contained herein, the statements in this presentation are forward-looking and made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the actual results of Mueller Water Products, Inc. in future periods to differ materially from forecasted results. Those risks include, among others, changes in customer orders and demand for our products; changes in raw material prices, labor, equipment and transportation costs; pricing actions by the Company and its competitors; changes in law; the ability to attract and retain management and employees; the inability to successfully execute management strategies with respect to cost containment, production increases or decreases, inventory control, the integration of acquired businesses, and the commencement of operations at our new manufacturing plant; and general changes in economic and financial conditions, residential construction or municipal spending. Risks associated with forward-looking statements are more fully described in our filings with the Securities and Exchange Commission. Mueller Water Products assumes no duty to update its forward-looking statements as of any future date.

About Mueller Water Products

Mueller Water Products is a leading North American manufacturer and marketer of infrastructure and flow control products for use in water distribution networks and treatment facilities. Its broad product portfolio includes engineered valves, hydrants, ductile iron pipe and pipe fittings, which are used by municipalities, as well as the residential and non-residential construction, oil and gas, HVAC and fire protection

industries. With latest 12 months net sales of \$1.8 billion, the Company is comprised of three operating segments: Mueller Co., U.S. Pipe and Anvil. Based in Atlanta, Georgia, the Company employs approximately 6,000 people. Mueller Water Products Series A common stock trades on the New York Stock Exchange under the ticker symbol MWA.
