Mueller Water Products to Present at Janney Capital Markets 2011 Water Industry Summit

March 15, 2011

ATLANTA, March 15, 2011 (GLOBE NEWSWIRE) -- Gregory E. Hyland, chairman, president and chief executive officer of Mueller Water Products, Inc. (NYSE:MWA), a leading North American provider of water infrastructure products and services, will present at the Janney Capital Markets 2011 Water Industry Summit. The presentation will take place Thursday, March 24, 2011 at 9:30 a.m. EDT in New York City.

The presentation will be webcast on the Mueller Water Products website—www.muellerwaterproducts.com—and will be archived for approximately 90 days.

Safe Harbor Statement

This press release contains certain statements that may be deemed "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements that address activities, events or developments that we intend, expect, plan, project, believe or anticipate will or may occur in the future are forward-looking statements. Forward-looking statements are based on certain assumptions and assessments made by us in light of our experience and perception of historical trends, current conditions and expected future developments. Actual results and the timing of events may differ materially from those contemplated by the forward-looking statements due to a number of factors, including regional, national or global political, economic, business, competitive, market and regulatory conditions and the following:

- the spending level for water and wastewater infrastructure;
- the demand level of manufacturing and construction activity;
- our ability to service our debt obligations; and
- the other factors that are described under the section entitled "RISK FACTORS" in Item 1A of our annual report on Form 10-K.

Undue reliance should not be placed on any forward-looking statements. We do not have any intention or obligation to update forward-looking statements except as required by

law.

About Mueller Water Products, Inc.

Mueller Water Products, Inc. manufactures and markets products and services that are used in the transmission and distribution of safe, clean drinking water and in water treatment facilities throughout North America.
