Mueller Water Products to Present at the Bank of America Basics/Industrial Conference

April 25, 2008

ATLANTA (April 25, 2008) – Gregory E. Hyland, chairman, president and chief executive officer of Mueller Water Products, Inc. (NYSE: MWA.B, MWA) will present at the 2008 Bank of America BASics/Industrials Conference on May 7, 2008. The presentation will take place at 11:20 a.m. (EDT) at the New York Palace Hotel in New York City.

The presentation will be webcast live, with a replay available in the investor relations section of the company's Web site, www.muellerwaterproducts.com. The replay of the presentation will be available for approximately 90 days.

Safe Harbor Statement

Except for historical information contained herein, the statements in this release are forward-looking and made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the actual results in future periods of Mueller Water Products, Inc. to differ materially from forecasted results. Those risks include, among others, changes in customer orders and demand for our products; changes in raw material pricing, labor, equipment and transportation costs; pricing actions by the Company's competitors; changes in law; the ability to attract and retain management and employees; the inability to successfully execute management strategies with respect to cost containment, production decreases, inventory control, the integration of acquired businesses, and the construction of a new manufacturing plant; and general changes in economic conditions or residential construction. Risks associated with forward-looking statements are more fully described in our filings with the Securities and Exchange Commission. Mueller Water Products assumes no duty to update its forward-looking statements as of any future date.
