

# Mueller Introduces New EZ-TAP™ Drilling Machine

---

April 08, 2021

Atlanta, GA, April 08, 2021 –Today, Mueller announced the expansion of the small drilling machine product line with the launch of the EZ-TAP™ drilling machine. The compact, lightweight EZ-TAP drilling machine is designed specifically for water taps and use with service saddles and corporation stops up to 300 psig working pressure. The new design makes service connections easier on mains with or without pressure. It can be hand operated using a standard socket or off the shelf cordless drill.

The EZ-TAP drilling machine is available in two kit options - The Machine Kit is designed for ¾" and 1" corporation stops, and the Large Diameter Kit (Less Machine), is designed for 1-¼", 1-½", and 2" corporation stops.

For more information about the EZ-TAP drilling machine, please visit [MuellerCompany.com](https://MuellerCompany.com) or contact your Mueller sales representative.

## About Mueller Water Products

Mueller Water Products, Inc. (NYSE: MWA) is a leading manufacturer and marketer of products and services used in the transmission, distribution and measurement of water in North America. Our broad product and service portfolio includes engineered valves, fire hydrants, pipe connection and repair products, metering products, leak detection, pipe condition assessment and water intelligence software. We help municipalities increase operational efficiencies, improve customer service and prioritize capital spending, demonstrating why Mueller Water Products is Where Intelligence Meets Infrastructure®.
