

# Mueller Water Products to Present at Oppenheimer's 4th Annual Industrials Conference

---

November 09, 2009

ATLANTA, Nov. 9 /PRNewswire-FirstCall/ -- Management of Mueller Water Products, Inc. (NYSE: MWA) will present at the Oppenheimer 4th Annual Industrials Conference. The presentation will provide an overview of Mueller Water Products and its key business drivers and may include updated information from what has previously been disclosed. The presentation will take place Wednesday, November 18, 2009 at 10:15 a.m. EST at the Millennium Broadway Hotel in New York.

The presentation will be webcast live, with a replay available in the investor relations section of the Company's Web site, [www.muellerwaterproducts.com](http://www.muellerwaterproducts.com). The replay of the presentation will be available for approximately 90 days.

## *Safe Harbor Statement*

Except for historical information contained herein, the statements in this release are forward- looking and made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the actual results in future periods of Mueller Water Products to differ materially from forecasted results. Those risks include, among others, changes in customer orders and demand for our products; changes in raw material, labor, equipment and transportation costs; pricing actions by the Company and its competitors; changes in law; the ability to attract and retain management and employees; the inability to successfully execute management strategies with respect to cost reductions, production increases or decreases, inventory control, and the integration of acquired businesses; and general changes in economic and financial conditions, residential and non-residential construction, and municipal spending. Risks associated with forward-looking statements are more fully described in our filings with the Securities and Exchange Commission. Mueller Water Products assumes no duty to update its forward-looking statements as of any future date.

## *About Mueller Water Products, Inc.*

Mueller Water Products, Inc. is a leading North American manufacturer and marketer of infrastructure and flow control products for use in water distribution networks and treatment facilities. Its broad product portfolio includes engineered valves, fire hydrants, ductile iron pipe and pipe fittings, which are used by municipalities, as well as the residential and non-residential construction, oil & gas, HVAC and fire protection

industries. With latest 12 months net sales as of September 30, 2009 of \$1.4 billion, the Company is comprised of three operating segments: Mueller Co., U.S. Pipe and Anvil. Based in Atlanta, Georgia, the Company employs approximately 5,300 people. The Company's Series A common stock trades on the New York Stock Exchange under the ticker symbol MWA.
