

Anvil International Opens New Florida Distribution Center

November 19, 2014

EXETER, N.H., Nov. 19, 2014 (GLOBE NEWSWIRE) -- Anvil International LLC, one of the largest and most complete manufacturers of [pipe fittings](#), pipe hangers and [piping support systems](#), has opened a distribution center in Orlando, Florida.

The 41,000 square-foot distribution center services the Florida, Alabama, Georgia and South Carolina wholesale pipes, valves and fittings (PVF) market and carries products for the fire protection, mechanical, plumbing, HVAC and PVF markets.

The distribution center is located in Orlando's first industrial smart park and features pre-wired IT systems, including business Ethernet services, security services, voice and data solutions, enabling Anvil to more efficiently serve its customers.

The distribution center is located at 236 Outlook Point Drive in Orlando and is open Monday through Friday, 8:00 AM to 5:00 PM.

"We are excited to open the new distribution center in Orlando. The center has a strong alignment to our end markets and our customers' needs." stated Brandon Gunnell, Director of Marketing for Anvil.
