

Mueller Water Products, Inc. Announces Public Offering of Series A Common Stock

September 14, 2009

ATLANTA, Sept. 14 /PRNewswire-FirstCall/ -- Mueller Water Products, Inc. (NYSE: MWA) ("Mueller") announced today that it is commencing a public offering of 27,500,000 shares of its Series A common stock pursuant to a shelf registration on Form S-3 filed on June 9, 2009 with the Securities and Exchange Commission. The underwriters will have a 30-day option to purchase up to 4,125,000 additional shares of its Series A common stock to cover over-allotments, if any. Mueller intends to use all of the net proceeds from the offering to repay a portion of indebtedness outstanding under its credit agreement.

BofA Merrill Lynch and Goldman, Sachs & Co. will act as joint book-running managers of the equity offering.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state. The offering of these securities will be made only by means of the prospectus supplement and accompanying prospectus. Copies of the prospectus supplement and prospectus relating to the offering may be obtained from BofA Merrill Lynch, 4 World Financial Center, New York, NY 10080, Attn: Prospectus Department or Goldman, Sachs & Co., 85 Broad Street, New York, New York 10004, Attention: Prospectus Department, 1-866-471-2526, or by e-mail at prospectus-ny@ny.email.gs.com. You may also obtain these documents by visiting the Securities and Exchange Commission's website at www.sec.gov.

Safe Harbor Statement

Except for historical information contained herein, the statements in this release are forward-looking and made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the actual results in future periods of Mueller Water Products to differ materially from forecasted results. Those risks include, among others, changes in customer orders and demand for our products; the liquidity of the credit markets; changes in raw material, labor, equipment and transportation costs; pricing actions by the Company and its competitors; changes in law or the uncertainty of the application of law and regulation; the ability to attract and retain management and employees; the inability to successfully execute management strategies with respect to cost containment, production increases or decreases, inventory control, and the

integration of acquired businesses; and general changes in economic and financial conditions, residential and non-residential construction, and municipal spending. Risks associated with forward-looking statements are more fully described in our filings with the Securities and Exchange Commission. Mueller Water Products assumes no duty to update its forward-looking statements as of any future date.

About Mueller Water Products, Inc.
